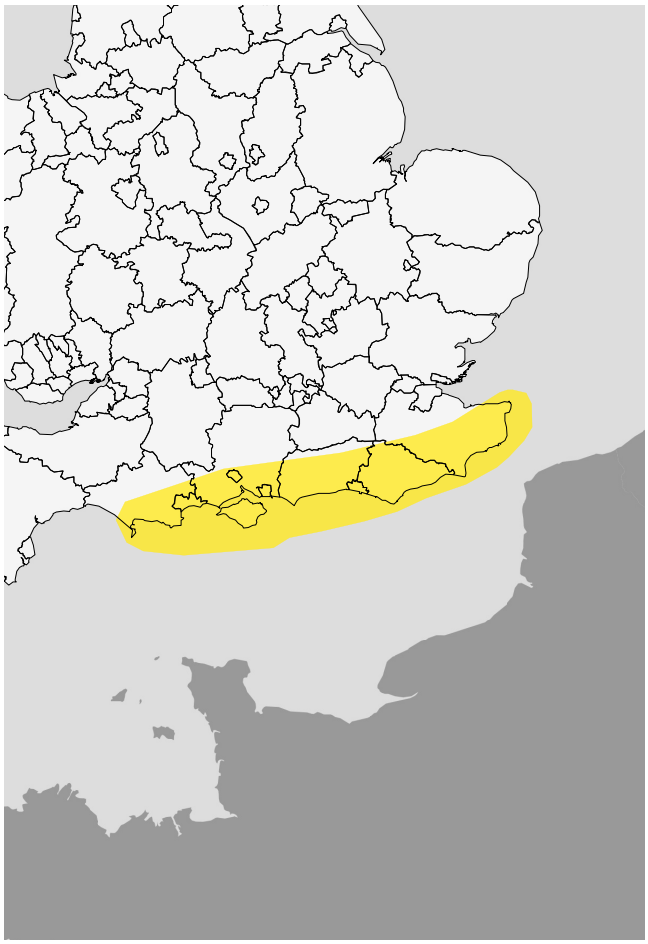
Yellow warning
Thunderstorm

Between
20:00 Thu 3 Nov 2022 and
06:00 Fri 4 Nov 2022



Heavy showers and thunderstorms likely to bring some disruption.

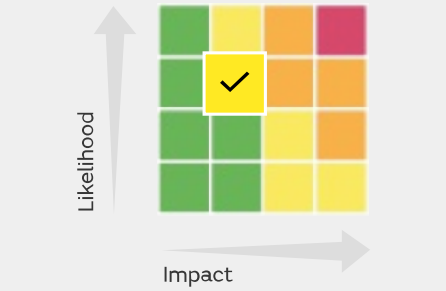
What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Probably some damage to a few buildings and structures from lightning strikes
- Delays to train services are possible
- Some short term loss of power and other services is likely

Further details

Following recent wet weather, further heavy and slow-moving showers and thunderstorms will affect parts of south and southeast England during Thursday evening and overnight. Downpours are likely to be most frequent along the coast.

Some locations may receive 30-40 mm of rain in a few hours, whilst thunderstorms will be mostly limited to coastal districts where lightning and hail may be additional hazards.



Medium likelihood of low impacts
